1	**Bulldozer**														
1.1	w/ Angle Blade, 60 to 70 HP								925	1,700	3,600	400			
1.2	w/ Angle Blade & Tilt Blade, 85 to 105 HP								1,345	2,490	5,290	450			
1.3	195 to 260 HP								----------						
2	**Crawler Loader**														
	75 to 105 HP								----------						
3	**Dump Truck**														
3.1	Operating Weight 20,000 to 40,000 lbs														
3.2	w/ min. 8ft. Power angle plow and sander			6,309											
3.3	w/ min. 8ft. Power angle plow and sander and min. 100 gal. Brine applicator														
3.4	w/ 1001 gal. to 1500 gallon brine applicator														
3.5	w/ 1501 gal. to 2000 gallon brine applicator														
3.6	Operating Weight 41, 000 to 60,000 lbs														
3.7	w/ min. 8ft. Power angle plow and sander														
3.8	w/ min. 500 gal. to 1000 gallon brine applicator														
3.9	w/ 1001 gal. to 1500 gallon brine applicator														
4	**Excavator**														
4.1	All-Terrain, 6 ton Hydraulic														
4.2	Boom Tip Swivel														
4.3	Bucket "Thumb"														
	Excavator Crawler 75 HP														
4.4	Boom Tip Swivel														
4.5	Bucket "Thumb"														
	Excavator Crawler 145 HP														
4.6	operating weight 15,432 to 17,635 lbs								----------						
4.7	Boom Tip Swivel								----------						
4.8	Bucket "Thumb"								----------						
4.9	Stump Shear														
4.10	operating weight 17,636 to 24,250 lbs								550	1,250	2,950	350			
4.11	Boom Tip Swivel								----------						
4.12	Bucket "Thumb"								incl						
4.13	Stump Shear								----------						
4.14	operating weight 24, 455 to 28,659								----------						
4.15	Boom Tip Swivel								----------						
4.16	Bucket "Thumb"								----------						
4.17	Stump Shear								----------						
4.18	operating weight 30,864 to 35,272 lbs								850	1,990	4,750	400			
4.19	Boom Tip Swivel								----------						
4.20	Bucket "Thumb"								incl						
4.21	Stump Shear								----------						
4.22	operating weight 41,887 to 46,296 lbs								1,450	2,900	6,600	990			
4.23	Boom Tip Swivel								----------						
4.24	Bucket "Thumb"								incl						
4.25	Stump Shear								----------						
4.26	operating weight 52,910 to 55,114 lbs														
4.27	Boom Tip Swivel														
4.28	Bucket "Thumb"														
4.29	Stump Shear

4.30	operating weight 52,910 to 55,114 lbs														
4.31	Boom Tip Swivel														
4.32	Bucket "Thumb"														
4.33	Stump Shear														
4.34	operating weight 55,115 to 61,728 lbs														
4.35	Boom Tip Swivel														
4.36	Bucket "Thumb"														
4.37	Stump Shear														
5	**Motor Grader**														
	115 to 145 HP								----------						
6	**Backhoe/loader, Rubber-tired**														
6.1	Digging depth 17ft and up								450	985	2,400	350			
6.2	w/Hydraulic Impact Pavement Breaker								300	875	1,720	incl			
7	**Front End Loader**														
7.1	150 to 175 HP								850	1,995	4,950	990			
7.2	w/ 4-in-1 bucket								----------						
7.3	w/ side dump								----------						
7.4	w/ large blade (12')								----------						
7.5	w/Grappler Bucket								----------						
8	**Skid Steer Loader**														
8.1	load rating 1,251 to 1,351 lbs								300	625	1,550	250			
8.2	with milling heads								----------						
8.3	load rating 1,601 to 1,751 lbs								330	690	1,650	250			
8.4	with milling heads														
8.5	load rating 2,350 to 2,500								575	1,025	2,175	300			
8.6	with milling heads								300	600	1,200	incl			
8.7	w/ large blade (8')								95	175	350	incl			
9	**Asphalt Maintainer, Wheel Mounted**														
10	**Asphalt Paver**														
10.1	wheel-mounted w/ 10ft. Power extendible screedoperating weight 29,000 to 35,500 lbs														
10.2	w/ joint matcher only														
10.3	w/ grade & slope control only														
10.4	w/ joint matcher and grade & slope control														
11	**Cold Planer and Miling Machine**														
11.1	w/ conveyor less than or equal to 25in cutting width														
11.2	26 to 40in cutting width														
12	**Crack Sealant Melter/Applicator -150 Gallon Capacity**														
13	**Brush Chipper, Trailer-mounted**														
13.1	19 inch curtting wheel w/approximately 175 HP														
13.2	21 cutting wheel w/approximately 275 HP														
14	**Brush Mower, Diesel Tractor - Lange**														
15	**Log Loader, Truck Mounted, 80,000 lb. Capacity**														
16	**Mower, All-Terrain, All Wheel-drive Diesel-powered with ROPS**														
17	**Screening Plant, Portable 49 HP**														
18	**Stump Grinder**														
18.1	25-30 HP on Tracks; Cutting Wheel Approx. 15-20 inches														
18.2	70-80 HP Tow Behind; Cutting Wheel Approx 25-30 inches														
19	**Sweepers**														
19.1	Mechanical, Truck-mounted Dual Broom (high dump)			6,847					2,750	6,750	11,000	500			
19.2	Vacuum, Truck-mounted Dual Broom								1,150	4,150	9,000	500			
20	**Tractors**														
20.1	mower, midsize w/60" mower decks														
20.2	compact utility, 4wd, 70hp														
20.3	mower, "over the rail"														
20.4	mower, "over the rail" w/ limb cutter														
21	**Tub Grinder**														

	Exhibit A	Daily Rental	Weekly Rental without operator	Monthly Rental without operator	Load for Transport	Mileage Charge	Operator labor per hour	Operator labor per hour	Daily Rental	Weekly Rental without operator	Monthly Rental without operator	Load for Transport	Mileage Charge	Operator labor per hour	Operator labor per hour
21.1	Portable 800 HP w/ self-loading boom														
21.2	Portable 800 HP w/ horizontal grinder														
22	**Fuel Truck**														
	3,000 to 3,300 gal.														
23	**Snow Melter**														
23.1	100-tons-per-hour w/ 150 operational hrs.														
23.2	250-tons-per-hour w/ 150 operational hrs. (self propelled)														
24	**Catch Basin Cleaner**														
	Vactor 2100i PD or equal, 15 yards, rapid deployment boom, positive displacement			8,772											
25	**Flood Lighting, Portable**								**95**	150	300	200			
26	**Portable Light towers 4000 kw - 6000 kw**								**120**	250	450	200			
27	**Variable Message Sign**								**200**	450	900	250			
27.1	**3 Line 8 character Solar Message Board. Approx. 10ftx6ft**								**100**	200	395	250			
27.2	**4 Ft. Extension**								----------						
27.3	**Drag Box**								----------						
27.4	**Operator's Platform**								----------						
28	**Spray Patching System, Self Contained, Automated One-person Operation**								----------						
29	**Vibratory Roller**														
29.1	operating weight 6,613 to 11,022 lbs								350	850	2,150	300			
29.2	operating weight 17,636 to 22,045 lbs								650	1,650	4,000	400			
29.3	operating weight 24,912 lbs and Up								---------						
30	**Aerial Lift**														
30.1	articulated, truck-mounted, 50 Ft.								----------						
30.2	telescopic, self propelled, minimum 50 to 65 Ft. Height capacity								450	950	2,300	300			
30.3	telescopic, truck-mounted, minimum 30 Ft. Height capacity								----------						
30.4	telescopic, truck-mounted, minimum 70 Ft. Height capacity								----------						
30.5	telescopic, truck-mounted, minimum 90 Ft. Height capacity								----------						
31	**Crane, Truck, Carrier Mounted,**														
	88 to 11,023 lb lift rating								----------						
32	**Forklifts**														
32.1	Enclosed cab w/ climate control indoor/outdoor 4,800 lbs 12 Ft. Height capacity								----------						
32.2	Enclosed cab w/climate control rough terrain, up to 5,000 lbs lift rating								----------						
32.3	Enclosed cab w/ climate control rough terrain, 5,000 to 6,000 lbs lift rating								425	925	2,100	350			
33	**Material Conveyor, Portable**								**200**	425	850	200			
34	**Scissor Lift 40 to 45 Ft. Height Rating**								**400**	800	1,600	300			
35	**Telehandler 10,000 lbs Rating**								**595**	1,500	3,500	350			
36	**Generators**														
36.1	20kw capacity - tow-behind								290	625	1,450	200			
36.2	30kw capacity - tow-behind								320	675	1,575	250			
36.3	40kw capacity - tow-behind								320	675	1,575	250			
36.4	50kw capacity - tow-behind								375	825	1,850	300			
36.5	60kw capacity - tow-behind								375	825	1,850	300			
36.6	90kw capacity - tow-behind								660	1,610	3,815	400			
36.7	120kw capacity - tow-behind								755	1,830	4,425	400			
37	**Reciprocating Air Compressor, Trailer-mounted, 175 CFM capacity**								**170**	350	750	200			
38	**Rotary Screw Air Compressor, Trailer-mounted, 375 CFM capacity**								**325**	725	1,600	250			
39	**Broom, Tractor, Front or rear-mounted**														
	Bucket "Thumb"								----------						
40	**Excavator, Hydraulic, Truck Mounted 1.0 cu yd**														
40.1	Boom Tip Swivel														
40.2	Bucket "Thumb"														
40.3	Stump Shear														
41	**Excavator, Wheeled or Truck mounted, 1.0 cu yd**														
41.1	Boom Tip Swivel								----------						
41.2	Bucket "Thumb"														
41.3	Stump Shear
