November 20, 2024

Dear Fellow Residents of North Hempstead,

I'm proud to present the 2025 adopted budget for the Town of North Hempstead. As with all our recent budgets, it will be available for your review online at our Town's website.

Since first taking office, my administration has organized all our efforts around a taxpayer-first mindset, working diligently to deliver responsible budgeting, efficient services, and taxpayer relief. That outlook was again rewarded by Moody's Investors Service, which affirmed our Town's Aaa bond rating earlier this year. This is the highest rating a Town can achieve, and it will benefit our taxpayers greatly, saving residents money as the Town continues to pay significantly less in interest. Notably, we've received this rating 16 consecutive times, and I believe that my administration's fiscally conservative management will continue earning that top-notch rating.

Through the dedicated efforts of senior staff, department heads, and the Comptroller's Office, we reviewed all Town operations with a careful eye toward streamlining wherever possible. As a result, we're proud to deliver the third straight year of tax cuts in North Hempstead, lowering taxes by more than \$5.5 million without reducing any of our services.

In that light, *Fortune* magazine recently rated North Hempstead as one of the top 15 places to live in the United States. They noted, "A great place to live is not one that solely supports a family in the present, but one that will serve them for the long term." To that end, you'll find that this budget upholds my commitment to maintaining our nationally recognized quality of life while also making our town more affordable, especially for the many seniors and young families who call us home.

When I took office, I promised you that together, we would tackle waste and improve local government while rebuilding our Town's infrastructure. Take a look inside this budget report and you'll discover that we are doing just that - and we're doing it better than ever.

Best regards,

A handwritten signature in black ink that reads "Jennifer S DeSena". The signature is written in a cursive, flowing style.

Jennifer DeSena

## The Governmental Funds of the Town of North Hempstead

North Hempstead is governed by its Town Board, comprised of the Supervisor and six Town Councilmembers. Town functions are also administered by the elected Town Clerk and elected Receiver of Taxes.

From a fiscal standpoint, the activities of the Town are organized, recorded, and reported on the basis of funds, each of which is considered a separate accounting entity. Each fund is a stand-alone, self-balancing unit. The Town funds are combined for the purposes of calculating the State's tax cap.

Below is a pie chart detailing the amount of real property tax revenues collected from Town residents going to Town of North Hempstead operations versus the operations of schools & libraries, Nassau County, and Special Districts.

## **General Fund**

The General Fund is the Town's principal operating fund. The revenues and expenses for departments whose operations service all Town residents, both within the Incorporated Villages and the unincorporated areas, are recorded in the General Fund. For example, all Town residents may use Town park facilities, call 311 for information, or participate in events sponsored by the Department of Community Services. Therefore, those are among the departments located in the General Fund. Accordingly, the property tax base for this fund is all residents and businesses within the Town.

The pie chart at the beginning of Tab 2 shows the distribution of expenditures amongst the departments within the General Fund.

## **The Town Outside Village Fund (TOV)**

The Town Outside Village (TOV) Fund was created from the merger of the Part-Town and Highway Funds by an act of the New York State Legislature in 2006. The TOV fund serves residents who live or own property outside the borders of incorporated villages. This Fund covers road maintenance, snow plowing, code enforcement, building safety and inspection and community planning.

The pie chart at the beginning of Tab 3 shows the distribution of expenditures among the departments within the TOV Fund.

## **Town-Operated and Commissioner-Operated Special Districts**

There are 46 special districts in North Hempstead, overseeing such services as fire protection, garbage disposal, street lighting, parks, police, public parking lots, sidewalks, water and sewers, libraries, and business improvement.

These districts provide services to and are supported only by property owners within the district.

There are 20 Town-operated special districts administered by the Town Board; and 26 Commissioner-operated districts, which have independently elected governing boards.

Tab 4 contains the budgets of the Town-Operated Special Districts while Tab 5 contains the budgets of the Commissioner-Operated Special Districts.

The Town's tax cap is calculated based on the Town's General and TOV budgets and the Town-operated special district budgets.

## **Town Departments: General Fund**

### **Administrative Services**

The Department of Administrative Services maintains most central services Town facilities, performing a wide range of functions from painting to full-scale renovations as well as landscaping, parking lot governance and snow removal for Town Hall 1 & 2, Town Hall Annex, Animal Shelter and the Roslyn Community Center. The Department also encompasses Central Printing and Mailing for all Town departments, from tax bills to special event flyers.

### **Community Services**

The Department's mission is to offer programs to improve the quality of life for each of our residents. The Department offers popular events such as FunDay Mondays for seniors, a yearly Veterans Breakfast, National Night Out, Asian American Festival, Summer Concert Series, and Fall Festival. The Department has also expanded the transportation program offered by Project Independence for the elderly to include people with disabilities--the result of a suggestion by the Town's Disability Advisory Committee. Rides are provided on request to residents with disabilities for food shopping, and discounted rides are offered for doctor appointments.

### **Department of Services for the Aging (DOSA)**

DOSA provides programs tailored to meet the needs of North Hempstead's aging residents who want to stay in our communities and in their own homes as they mature. DOSA's core program is Project Independence (PI), the Town's aging-in-place initiative. A little over one quarter of the Town's 230,000 residents are age 60 or over. DOSA provides services including screenings for chronic conditions like high blood pressure and diabetes, health education seminars, support groups for caregivers and others, assistance accessing benefits, case management, social/recreational activities, volunteer opportunities and referrals to other sources of support. Project Independence also offers rides for members for food shopping and medical appointments.

### **Comptroller**

The Comptroller's Office (the Comptroller) is responsible for the overall financial management of the Town and its component special districts. The Comptroller accounts for all operating expenses, debt service and distribution of taxes and other revenues. Additionally, the Comptroller manages the Town's cash, supervises preparation of the payroll for all Town employees, and compiles the Town's Annual Comprehensive Financial Report (ACFR) and the Town Board's annual operating budget. The Comptroller also manages the financing of the Town's and special districts' capital projects and performs financial and debt management services for the Commissioner operated special districts. The Town has been recognized by the Government Finance Officers Association with an award for its ACFR for each Fiscal year from 2010 to 2022. Demonstrating the Town's commitment to sound financial management, the Town's fiscal stress score is 0.0, which according to data released by the Office of the New York State Comptroller, is one of the lowest of any Town on Long Island.

## **Department of Human Resources**

The goal of the Human Resources Department (HR) is to ensure positive employee relations, job satisfaction, and a safe workplace for all employees. HR administers employee benefits and processes hiring, retirement, termination, promotions, and all other employment changes. The Department maintains accurate and confidential personnel records and manages the Town's time and leave system. The Department also trains employees in compliance with labor and anti-discrimination laws and ensures that the Town complies with State civil service laws.

## **Department of Information Technology (DoITT)**

The Department of Information Technology and Telecommunications (DoITT) provides a secure, reliable voice and data technology environment. DoITT provides innovative, tactical, and strategic input on business systems by identifying, researching, recommending, and implementing new or improved technologies and processes for current and future business and operational needs. DoITT also provides a unified set of shared services to a broad range of Town entities, ultimately improving services for Town employees and constituents.

## **311 Call Center**

The 311 Call Center is a centralized unit that answers inquiries from Town of North Hempstead constituents. The 311 Service Representatives are able to answer many queries from the public directly without transferring the call. With "One-Call-To-Town-Hall," callers avoid having their calls transferred from department to department in order to get information or assistance. If the call representative cannot answer the question, they are able to transfer the caller to the correct individual, in the correct Town department which can provide the answer. The 311 Call Center also provides up to the minute information on Town special events, takes requests for assistance for seniors in connection with Project Independence and provides information during blizzards, hurricanes, and more recently, information during the COVID-19 pandemic.

The system also provides an ability to measure how well services are delivered. Requests for service are entered into a work-order format and sent to the appropriate department for review and immediate processing. Those work-orders are tracked to ensure that requests are completed in a timely manner and that the constituent is satisfied.

Through August 2024, 311 has answered more than 2,864,617 constituent calls.

## **Parks and Recreation**

The Town has 52 active and passive parks administered by the Department of Parks and Recreation (the Parks Department). The Parks Department's mission is to meet the leisure-time and health and fitness needs of the residents of North Hempstead while maintaining high quality facilities. The Parks and Recreation system includes 12 baseball fields, 20 basketball courts, 2 artificial-turf multi-purpose fields, 12 playgrounds, 37 tennis courts, and 2 boat ramps.

Among the Town's best known facilities are North Hempstead Beach Park (home to a multitude of concerts and festivals during the year), Manorhaven Park (which includes an outdoor pool, tennis courts, and a skate park), Clark Botanic Garden, Michael J. Tully Park (home to the Town's indoor pool, a fully-lighted and field-turfed outdoor athletic stadium, and ball fields), the "Yes We Can" Community Center

(home to two regulation-size indoor basketball courts, a dance studio, a gym and community rooms, as well as serves as the Long Island Nets practice facility) and the Harbor Links complex, with both a 18-hole championship and a 9-hole executive golf course, a driving range, miniature golf, a pro shop, athletic fields and a full service banquet hall and restaurant.

The Parks budget includes high levels of seasonal and part time employment, reflecting the fact that the summer months are the peak times for Parks activities.

### **Public Safety**

The Division of Public Safety consists of Code Enforcement, Parking Enforcement, the Animal Shelter, Harbor Patrol, and the Port Washington Public Parking District. Code Enforcement enforces Town laws, ordinances and regulations in the Town's unincorporated areas. These laws generally are aimed at keeping the Town's residential and commercial areas clean and safe. Inspectors respond to 311 calls about apparent violations in addition to coordinating with other Town Departments to identify code violations. Violations are prosecuted in Nassau County District Court by the Town Attorney.

Parking Enforcement enforces the Town's Uniform Traffic Code, which restricts parking on streets and in certain shopping centers in the Town's unincorporated areas. Town parking tickets are adjudicated and collected by the Nassau County Traffic and Parking Violations Agency.

The Animal Shelter Department is responsible for enforcing local and State animal protection, control and licensing laws, and administering Town dog control services. Dogs are available for adoption from the Animal Shelter and the Shelter works closely with volunteers to support its mission. Each year the Town's Animal Shelter co-sponsors with the not-for-profit The Shelter Connection to offer free microchips to dogs and cats of Town residents through the "Pet Microchip Clinic." Additionally, the Animal Shelter, in conjunction with the Nassau County Department of Health, offered a free rabies clinic to residents.
