TOWN OF NORTH HEMPSTEAD

REQUEST FOR PROPOSALS

I. INTRODUCTION

A. General Information

The Town of North Hempstead ("Town") is requesting proposals from qualified firms to provide taxi transportation services to seniors and those with disabilities as part of the Town's Project Independence Program. The goal of Project Independence is to foster independent senior living by providing services in certain areas of life that would otherwise create barriers to aging in place. A contractor may be selected from among responding contractors based on a thorough analysis of each firm's ability to provide the Town with the highest quality services at the most cost-effective fees. The Town reserves the right to award to multiple vendors where it is in the best interests of the Town.

The following conditions apply to this RFP:

- There is no express or implied obligation for the Town to reimburse responding firms for any expenses incurred in preparing proposals in response to this request, and the Town will not reimburse such expenses.
- Any inquiries concerning this RFP must be in writing or by email and should be addressed to Georgina Carr at contracts@northhempsteadny.gov. All inquiries must bear the RFP number assigned to this RFP. This shall be the sole point of contact for this RFP. Written responses to all inquiries will be posted to the Town's website as an addendum to the RFP. It shall be the responsibility of the Proposer(s) to inquire as to any addenda issued.
- To be considered, one (1) original and one (1) copy, and (1) thumb drive containing the same proposal must be delivered in a sealed envelope and received by the Procurement Division at 220 Plandome Road, Manhasset, New York 11030 by 11:00 a.m. November 17, 2022. The Town reserves the right to reject any or all proposals submitted.
- During the evaluation process, the Town reserves the right, where it may serve the Town's best interest, to request additional information or clarification from a proposer, or to allow corrections on non-material errors or omissions or waive non-material requirements. At the discretion of the Town, some or all of the firms submitting proposals may be requested to make oral presentations as part of the evaluation process. If conducted, oral presentations will be scheduled with each proposer being considered.

- The Town reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected.
- Submission of a proposal indicates acceptance by the firm of the conditions contained in this RFP, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the Town and the firm selected.
- The selection of a firm will be set forth in a resolution of the Town Board. The selection of a vendor by the Town Board shall not constitute a binding commitment on behalf of the Town to enter into any contract with the selected vendor, as any binding arrangement must be set forth in definitive documentation signed by both the vendor and the Town (the “agreement”). The agreement shall be executed by vendor and delivered to the Town with necessary insurance certification for approval by the Town Board.
- It is anticipated the selection of a firm will be completed by December 15, 2022. Following notification of the selected firm an agreement will be executed between both parties. The agreement will be effective as of January 1, 2023.
- The Town reserves the right, as best serves its interest, to change any of the projected dates set forth in this RFP, including, but not limited, to the due date for receipt of proposals.
- The Town reserves the right to accept more than one proposal or reject all proposals.

B. Subcontracting

The Proposer will be responsible for the entire contract performance. The Proposer must indicate in the RFP if it intends to use a sub-contractor for any part of the work. If so, the Proposer shall identify each sub-contractor by name, business address and expertise, and must include the name(s) of the principal(s) of the subcontracting entity. A full description of the tasks to be performed by the sub-contractor must be included. No subcontracting shall be permitted without the express permission of the Town.

II. SCOPE OF SERVICES

A. Summary

The Town of North Hempstead (the “Town”) Department of Services for the Aging (the “Department”) currently operates a program entitled Project Independence. The goal of Project Independence is to foster independent senior living by providing services in certain areas of life that would otherwise create barriers to aging in place.

Since 2009, the Department has operated a senior taxi transportation program (the “Program”) through Project Independence. In January 2017 the service was expanded to include those 21-59 with disabilities. The Program furthers the Project Independence goals by providing seniors and disabled adults 21+ transportation via taxi for food shopping and medical appointments within the geographic boundaries of the Town, and on unique limited occasions in close proximity to the Town’s borders at the discretion of the Commissioner of the Department.

Since the Program’s inception until the present, the Town has gathered the following statistics on usage:

58,711 food shopping ride reservations
3,456 food shopping cancellations
55,255 net food shopping round trips with 110,510 one-way rides

139,963 medical ride reservations
10,460 medical ride cancellations
129,503 net medical round trips with 259,006 one-way rides

The purpose of this solicitation is to locate and evaluate potential providers of transportation services for the Program. Responders must comply with, in addition to the remainder of this solicitation, the requirements of the Federal and New York State additional clauses and requirements attached hereto and noted as Exhibits D and E.

Please note that where indicated in this response, the term “assistive devices” shall mean any device that is designed, made, or adapted to assist a person to perform a particular task. For example, canes, crutches, walkers and collapsible wheelchairs are all assistive devices.

B. Statement of Work

The successful responder(s) will provide to Town residents, aged 60 and older and disabled adults aged 21-59, taxi transportation services to designated food shopping centers, and medical/dental/physical therapy/treatment appointments. **In order to be awarded a contract for a specific region, proposers must propose to provide food shopping transportation services, medical transportation services, and town senior/social centers/programs, events and related transportation services for that specific region.**

The successful proposers must provide training for all employees interacting with constituents under this contract, whether managers, dispatchers or drivers. Employees are required to understand the Project Independence Taxi Transportation Program, be sensitive toward seniors and individuals with disabilities using the service and must be able to advise customers on how to log a complaint.

All responses must be for services listed in this response unless otherwise instructed. Responses are to include all vehicles and necessary peripheral equipment to provide safe and timely services. Materials and supplies necessary to meet services but not included in responders' proposal will be provided at the responders expense unless otherwise agreed upon.

1. Food Shopping Transportation Service:

The successful responder(s) will render services up to two days per week in each specified region between the hours of 10 a.m. and 2 p.m. in all regions. In the event of inclement weather, and during the summer, the Town reserves the right to alter the days on which and locations where such services will be rendered. Generally, the taxi company will provide taxi cabs and drivers who will remain on-call to provide shopping transportation and will be paid as detailed in Attachment A. In order to provide the service, the provider will generally need to dedicate a minimum of two (2) taxicabs and drivers for the full time period. As such, proposers must assure that at minimum two (2) taxicabs are available to provide services during the times stated above, provided, however, that the Town will pay only for such time the successful responder actually performs the service. The Commissioner of the Department may authorize the use of more taxicabs, based upon an increasing number of service requests on a given day. During the time period, the taxi driver shall drive the residents from their homes to the designated food shopping locations and return the residents to their homes. Any support person will travel with the resident at no additional cost. Should the resident use an assistive device such as a wheelchair or walker, which collapses, the agency will determine an appropriate means of transporting the device without unnecessary delay or hardship to the client. Responders will not use vehicles that are difficult for aging or disabled residents to enter and exit, i.e. vans, sport utility vehicles, or trucks for these services. The rider does not pay for food shopping transportation services. The Town will pay the entire cost of the ride, upon being billed by the company. Gratuities are at the discretion of the rider. Procedures for the operation of the taxi food shopping program are attached hereto as Exhibit A.

The responder(s) may respond to provide food shopping transportation services as above in one or more of the Project Independence regions within the Town of North Hempstead:

Region 1 – New Hyde Park, Garden City Park, Herricks, Manhasset Hills areas;

Region 2 – Great Neck, Lake Success areas;

Region 3 – Manhasset, Flower Hill, Plandome, Munsey Park areas;

Region 4 – Port Washington and Sands Point area;

Region 6 – Westbury, Carle Place and New Cassel areas; and

Note, however, that a responder may be called upon to provide service in a region other than the region(s) that such company would otherwise provide service. This “out of contracted region” service will be assigned on an as-needed basis, subject to the responder’s availability.

Responders must be taxi companies licensed by the Town of North Hempstead or by a municipality within the Town.

Responders must ensure a quick response to service requests. The Town will award contracts based on the above-listed Regions, therefore proposers may provide proposals based on individual regions, grouped regions, or for all regions.

2. Medical Transportation Service:

The successful responder(s) will provide round-trip taxi transportation to non-emergency medical, dental and treatment appointments located within the geographic borders of the Town, as well as to the following locations:

- The campus of Long Island Jewish Hospital including Zucker Hillside in Queens
- Nassau University Medical Center (NUMC) in East Meadow
- Medical providers in Garden City
- St. Francis DeMatteis Center in Greenvale

Should the Department decide that there is substantial demand for medical transportation to other locations within Nassau County, those locations may be added to the program at a later date, during the contract period.

The successful responder(s) will provide services Monday through Friday in designated service areas on an as needed basis. The taxi driver will pick up residents at their homes and drive them to the medical appointment. Any support person will travel with the resident at no additional cost. Should the resident use an assistive device such as a wheelchair or walker, which collapses, the agency will determine an appropriate means of transporting the device without unnecessary delay or hardship to the client. After the appointment, the resident will call the company to arrange for the return trip. Responders will not use vehicles that are difficult for aging residents to enter and exit, including but not limited to, vans, sport utility vehicles, or trucks, for providing services. Procedures for the operation of the taxi medical program are attached hereto as Exhibit B.

The attached hereto as Exhibit G is the PI Medical Transportation Rate Grid which outlines the current rates for medical transportation trips. Please note that this fare is divided between the Town and the rider. The rider will pay a pre-determined partial fare each way, at the time of service and the Town will pay the remainder, upon being billed by the company. Gratuities are at the discretion of the rider.

The responder(s) may respond to provide medical transportation services as above in one or more of the Project Independence Regions within the Town of North Hempstead:

Region 1 – New Hyde Park, Garden City Park, Herricks, Manhasset Hills areas;

and Albertson residents as assigned by 311.

Note, however, that a responder may be called upon to provide service in a region other than the region(s) that such company would otherwise provide service. This “out of contracted region” service will be assigned on an as-needed basis, subject to the responder’s availability. Out of Region Rates are subject to the same pricing structure as the rates in regions.

Responders must be taxi companies licensed by the Town of North Hempstead or by municipalities within the Town.

Responders must ensure a quick response to service requests. The Town will award contracts based on the above-listed Regions, therefore proposers may provide proposals based on individual regions, grouped regions, or for all regions.

3. Town Senior/Social Centers/Programs, Events and Related Transportation Services

The successful responder(s) will provide round-trip taxi transportation to Town *senior/social centers (pre-scheduled routes), to **programs and events located within the geographic borders of the Town with prior DOSA authorization.

The successful responder(s) will provide services Monday through Friday in designated service areas with pre-authorization by DOSA. The taxi driver will pick up residents at their homes and drive them to the center, program or event. Any support person will travel with the resident at no additional cost. Should the resident use an assistive device such as a wheelchair or walker, which collapses, the agency will determine an appropriate means of transporting the device without unnecessary delay or hardship to the client. After the event, the resident will call the company to arrange for the return trip. 4. Contract Terms and Pricing Structure

October 2019

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against

or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter,

collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State

contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5))) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material

breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. **IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. **ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

Contractor shall promptly submit its termination claim to the recipient. If contractor is in possession of any of the recipient's property, contractor shall account for same, and dispose of it as the recipient directs.

b. Termination for Default [Breach or Cause] (General Provision) If contractor does not deliver items in accordance with the contract delivery schedule, or, if the contract is for services, and contractor fails to perform in the manner called for in the contract, or if contractor fails to comply with any other provisions of the contract, the recipient may terminate this contract for default. Termination shall be effected by serving a notice of termination to contractor setting forth the manner in which

contractor is in default. Contractor shall only be paid the contract price for supplies delivered and accepted, or for services performed in accordance with the manner of performance set forth in the contract.

If it is later determined by the recipient that contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of contractor, the recipient, after setting up a new delivery or performance schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.

c. Opportunity to Cure (General Provision) the recipient in its sole discretion may, in the case of a termination for breach or default, allow contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination shall state the time period in which cure is permitted and other appropriate conditions

If contractor fails to remedy to the recipient's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by contractor or written notice from the recipient setting forth the nature of said breach or default, the recipient shall have the right to terminate the Contract without any further obligation to contractor. Any such termination for default shall not in any way operate to preclude the recipient from also pursuing all available remedies against contractor and its sureties for said breach or default.

d. Waiver of Remedies for any Breach In the event that the recipient elects to waive its remedies for any breach by contractor of any covenant, term or condition of this Contract, such waiver by the recipient shall not limit its remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

e. Termination for Convenience (Professional or Transit Service Contracts) the recipient, by written notice, may terminate this contract, in whole or in part, when it is in the recipient's interest. If the contract is terminated, the recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

f. Termination for Default (Supplies and Service) If contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract.

If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

g. Termination for Default (Transportation Services) If contractor fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract.

If this contract is terminated while contractor has possession of the recipient goods, contractor shall, as directed by the recipient, protect and preserve the goods until surrendered to the recipient or its agent. Contractor and the recipient shall agree on payment for the preservation and protection of goods. Failure to agree on an amount shall be resolved under the Dispute clause. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

h. Termination for Default (Construction) If contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified, or any extension, or fails to complete the work within this time, or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. the recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. In this event, the recipient may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. Contractor and its sureties shall be liable for any damage to the recipient resulting from contractor's refusal or failure to complete the work within specified time, whether or not contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the recipient in completing the work.

Contractor's right to proceed shall not be terminated nor shall contractor be charged with damages under this clause if:

1. Delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of contractor. Examples of such causes include: acts of God, acts of the recipient, acts of another contractor in the performance of a contract with the recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. Contractor, within 10 days from the beginning of any delay, notifies the recipient in writing of the causes of delay. If in the recipient's judgment, delay is excusable, the time for completing the work shall be extended. The recipient's judgment shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of contractor's right to proceed, it is determined that contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if termination had been issued for the recipient's convenience.

i. Termination for Convenience or Default (Architect & Engineering) the recipient may terminate this contract in whole or in part, for the recipient's convenience or because of contractor's failure to fulfill contract obligations. The recipient shall

terminate by delivering to contractor a notice of termination specifying the nature, extent, and effective date of termination. Upon receipt of the notice, contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the recipient all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If termination is for the recipient's convenience, it shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If termination is for contractor's failure to fulfill contract obligations, the recipient may complete the work by contract or otherwise and contractor shall be liable for any additional cost incurred by the recipient. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

j. Termination for Convenience or Default (Cost-Type Contracts) the recipient may terminate this contract, or any portion of it, by serving a notice of termination on contractor. The notice shall state whether termination is for convenience of the recipient or for default of contractor. If termination is for default, the notice shall state the manner in which contractor has failed to perform the requirements of the contract. Contractor shall account for any property in its possession paid for from funds received from the recipient, or property supplied to contractor by the recipient. If termination is for default, the recipient may fix the fee, if the contract provides for a fee, to be paid to contractor in proportion to the value, if any, of work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient and the parties shall negotiate the termination settlement to be paid to contractor. If termination is for the recipient's convenience, contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If, after serving a notice of termination for default, the recipient determines that contractor has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of contractor, the recipient, after setting up a new work schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.
